§5–312.

- (a) In this section, "high performance building" has the meaning stated in § 3–602.1 of the State Finance and Procurement Article.
- (b) This section applies to the construction of new schools that have not initiated a Request For Proposal for the selection of an architectural and engineering consultant on or before July 1, 2009.
- (c) Except as provided in subsection (d) of this section, a new school that receives State public school construction funds shall be constructed to be a high performance building.
- (d) (1) The Interagency Commission shall establish a process to allow a school system to obtain a waiver from complying with subsection (c) of this section.
 - (2) The waiver process shall:
- (i) Include a review by the Interagency Commission to determine if the construction of a high performance building is not practicable; and
- (ii) Require the approval of a waiver by the Interagency Commission.
- (e) For fiscal years 2010 through 2014 only, the State shall pay 50% of the local share of the extra costs, identified and approved by the Interagency Commission, that are incurred in constructing a new school to meet the high performance building requirements of this section.
- (f) The Interagency Commission shall adopt regulations to implement the requirements of this section.
